

# Instructions for Acorn Parts and Oak Tree Life-Cycle Printable Template

Within this printable template there are outlines for you to cut out and then trace onto a felt sheet. Follow the instructions on each page. The downloadable file contains 18 pages for printing. (This is a gift to my Mama's Happy Hive subscribers... this printable template is worth \$4.00, but is FREE for subscribers).

The first page is the terms of use. You must abide by these terms even if you receive a free printable. Pages 4-7 are the acorn template. Pages 8-9 are the seedling template. Pages 10-12 are the sapling template. Pages 13-15 are the mature oak tree template. Page 16 are fun numbered acorns to place on the mature oak tree. Page 17 is the template for the snag or stump.

## Materials Needed:

- Scissors
- Pen or pencil
- Laminator
- Laminating Sheets
- Fabric Glue or Hot Glue Gun (optional)
- Colored Markers (optional)
- Sheets of STIFF Felt: Light brown, dark brown, medium brown, light green, dark green, white or off-white

# TERMS OF USE

Thank you for downloading this educational resource from **Mama's Happy Hive** blog! I reserve the right to change this policy at any time.

## You may

- Store this file on your computer for non-profit personal and classroom use only
  - Print and post pictures of your family (students) using these files on social media, as long as you link to the blog post where this printable was found

## You may NOT

- Reproduce, store, sell, modify, or transmit any form of this file without written consent from the author

**Disclaimer:** Please be aware of and follow all age recommendations on all products used in these activities. Vanessa at Mama's Happy Hive is not liable or responsible for any injury when replicating any of the activities found on this blog or in this printable.

Laminate the labels and then cut them out. Use the labels to label the life-cycle of the felt oak tree.

# LIFE-CYCLE OF AN OAK TREE

seed (acorn)

mature oak

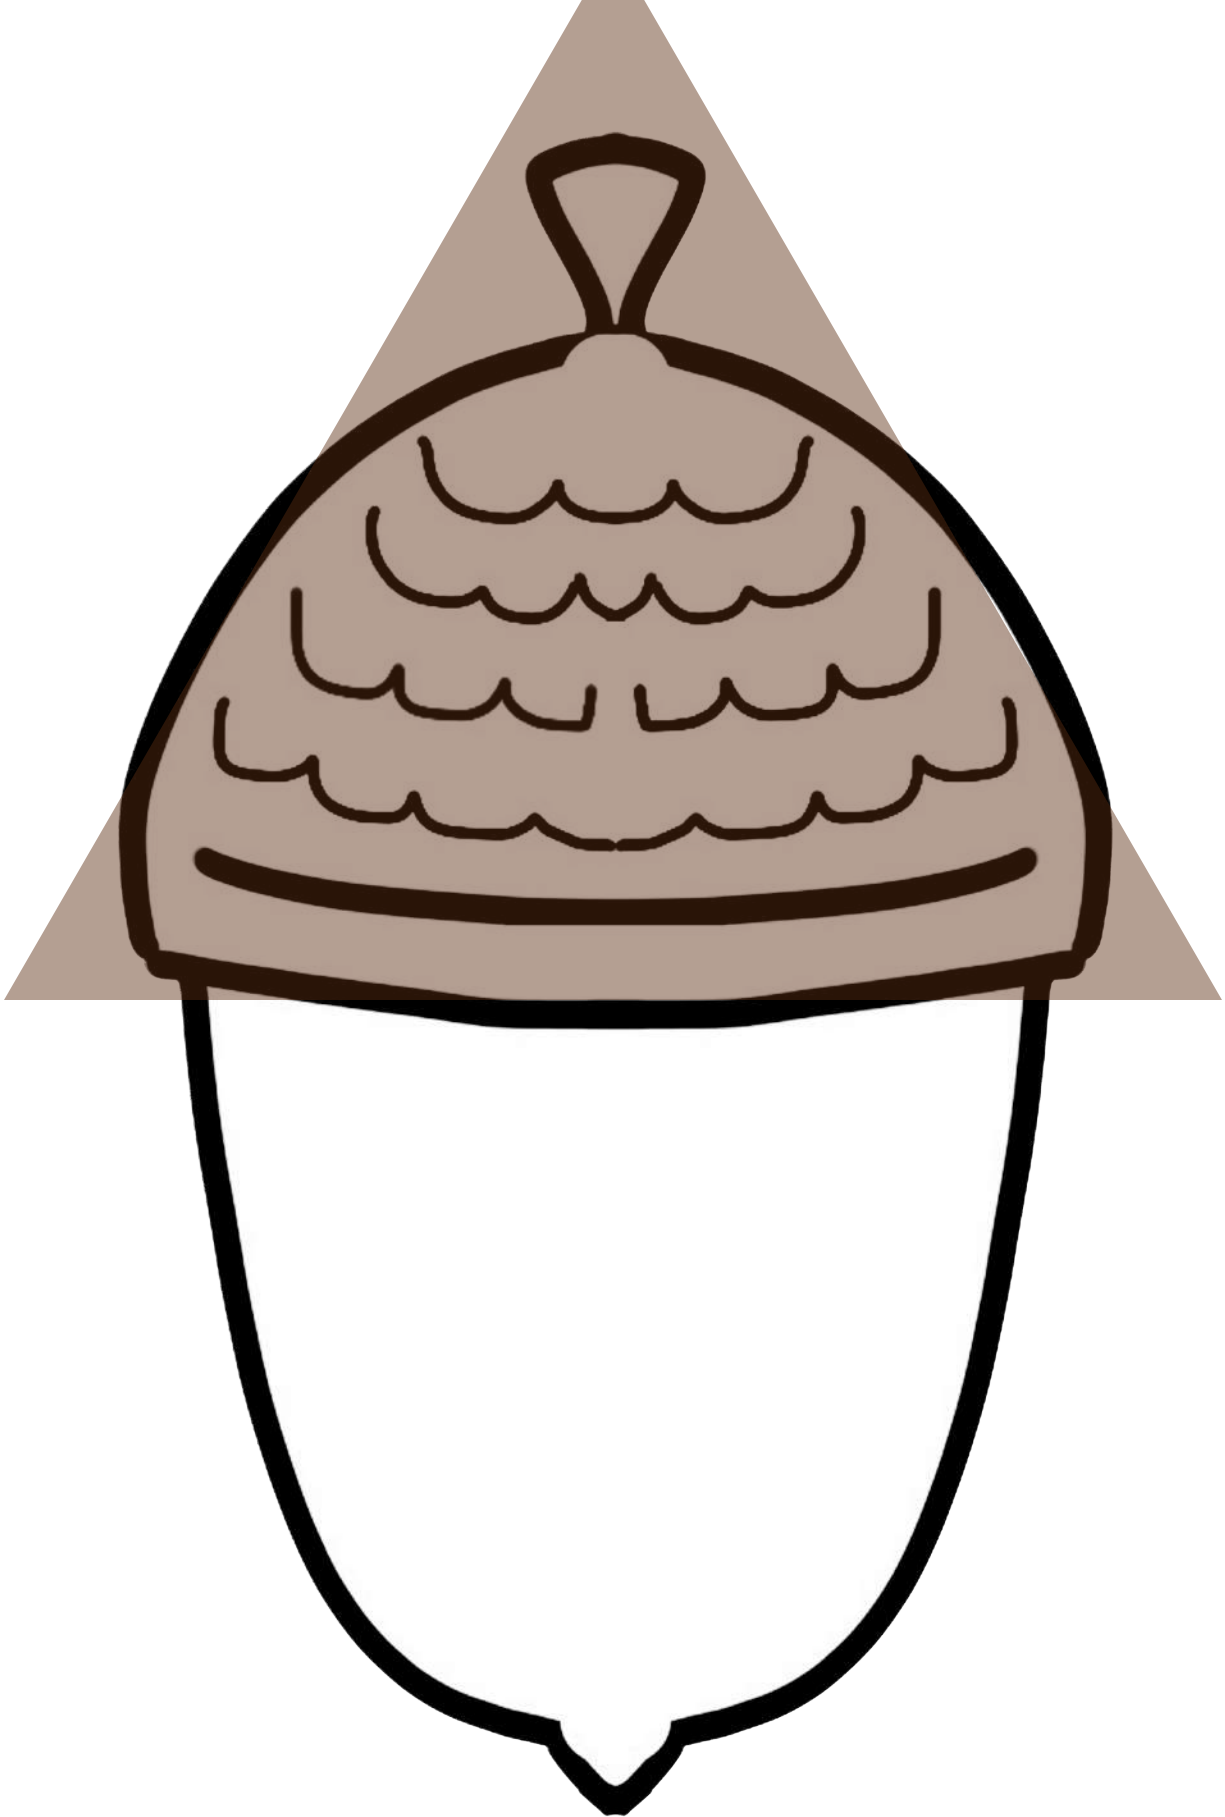

seedling

snag

sapling

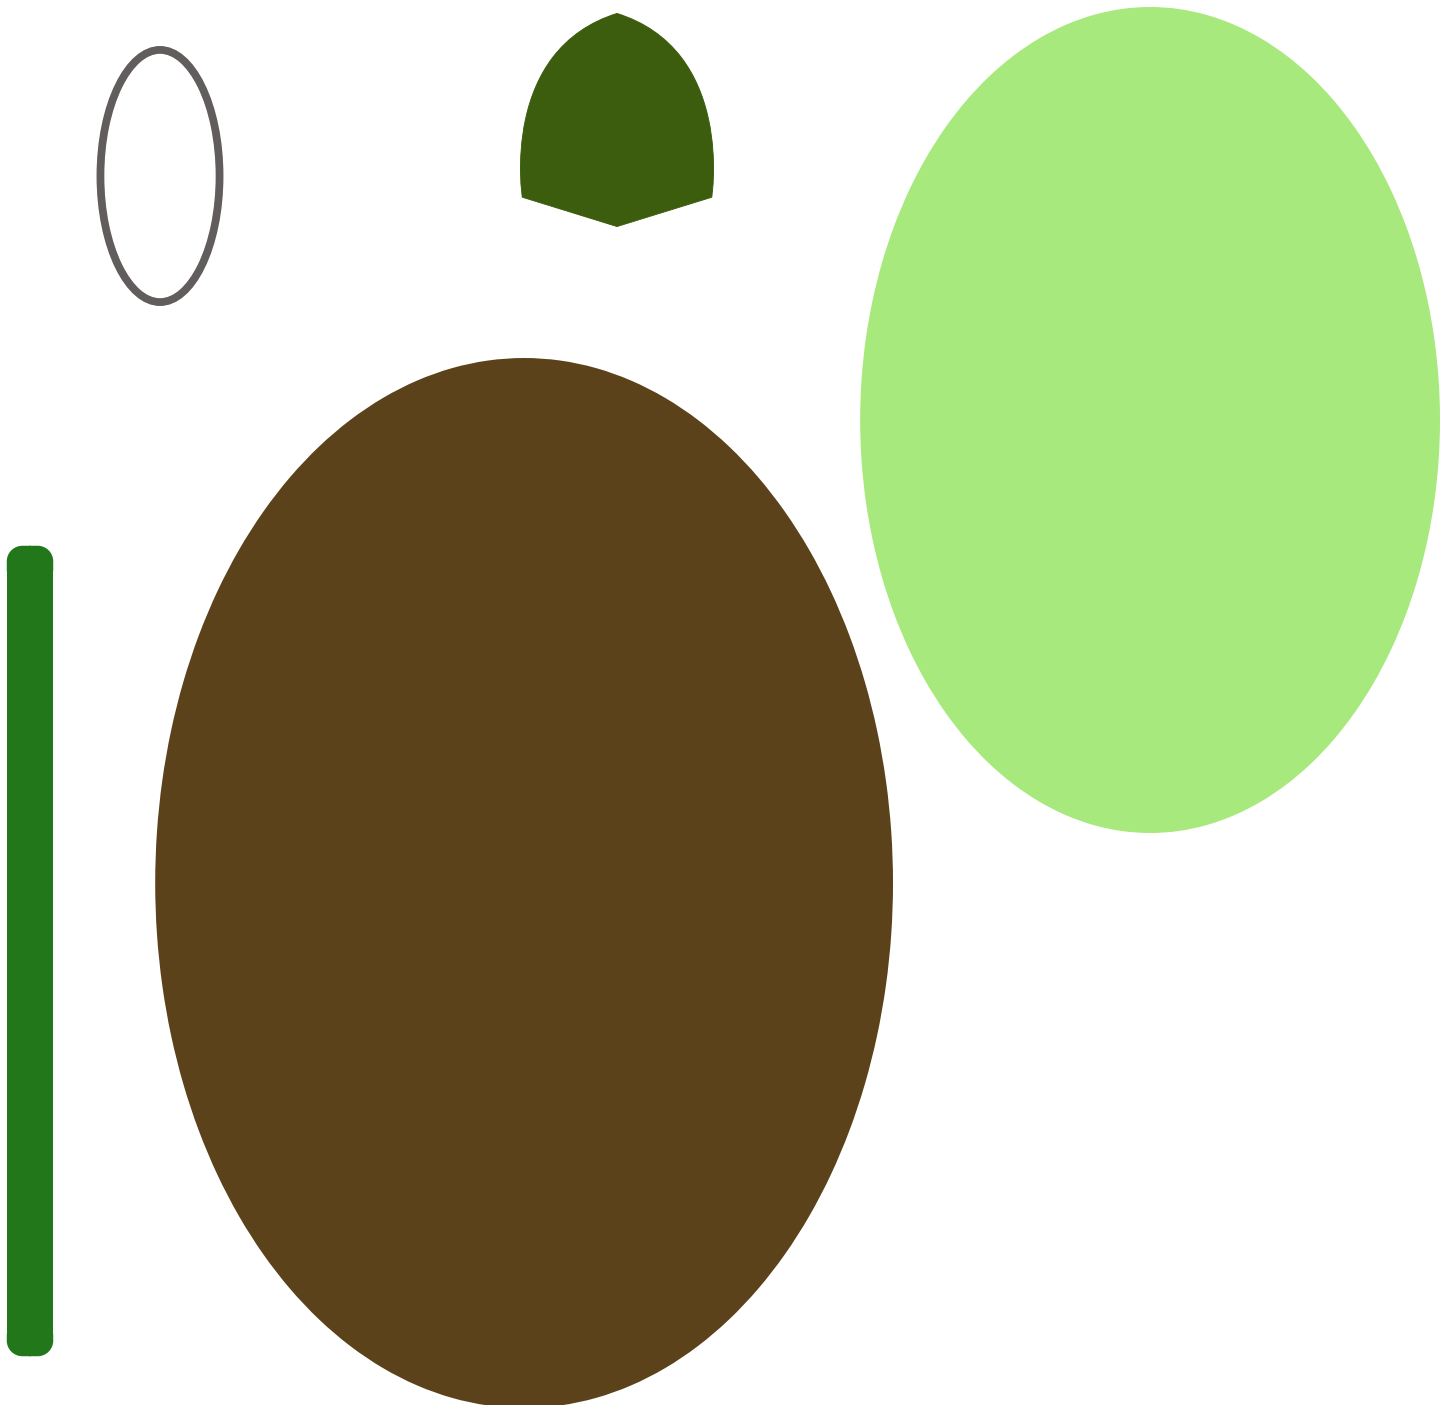

Cut out the outline of the acorn (include the entire oval). Trace it TWO times onto light brown felt. Cut out the outlines again.

Cut out the outline of the acorn cap and trace it onto dark brown felt. Cut out the outline again.

Cut out all the parts of the inside of an acorn seed. Trace the parts onto the matching felt colors - light green, dark green, brown, and white. Cut the parts out again from the felt outlines.

# PARTS OF AN ACORN SEED

plumule

testa

embryo

pericarp

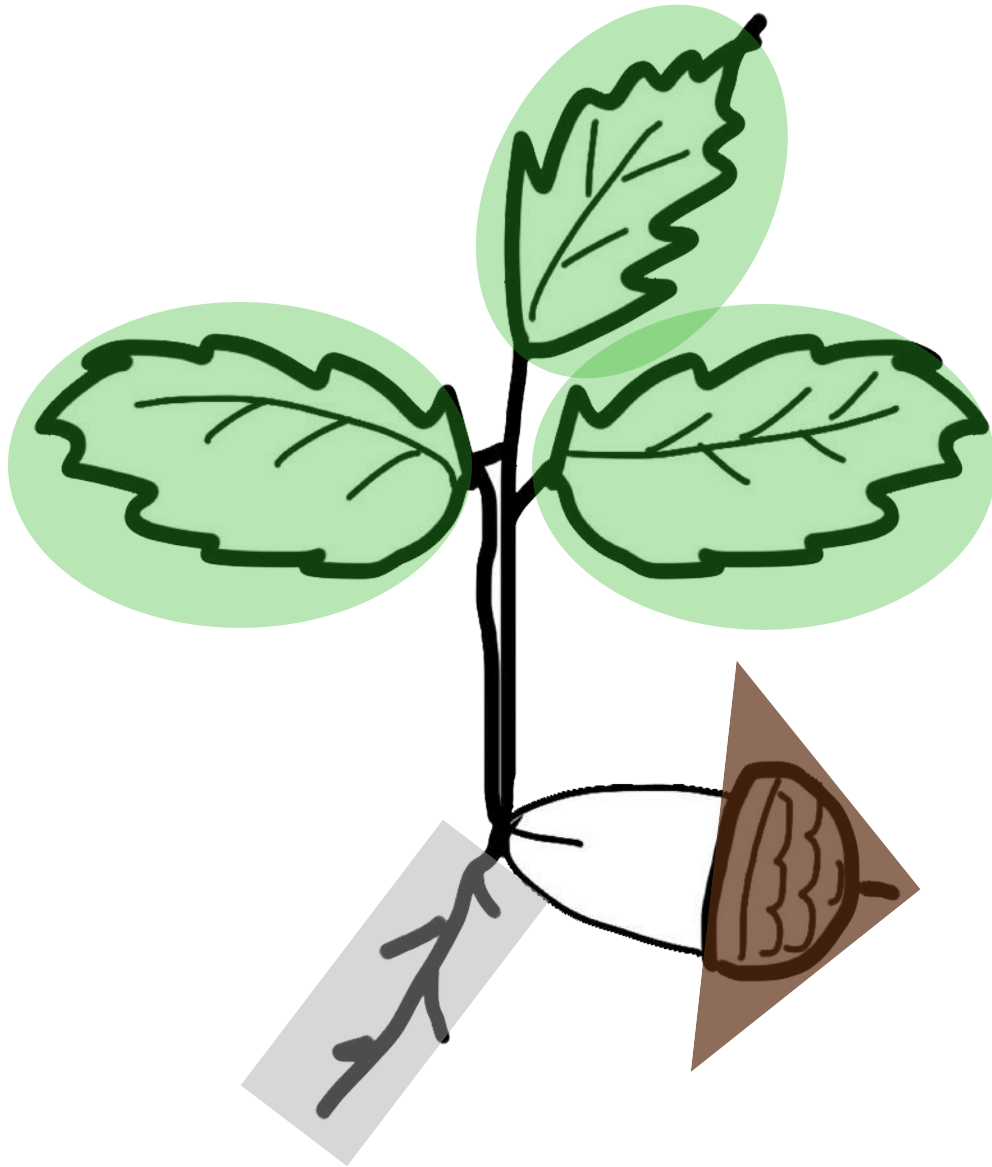

cotyledon

remains of style

radicle

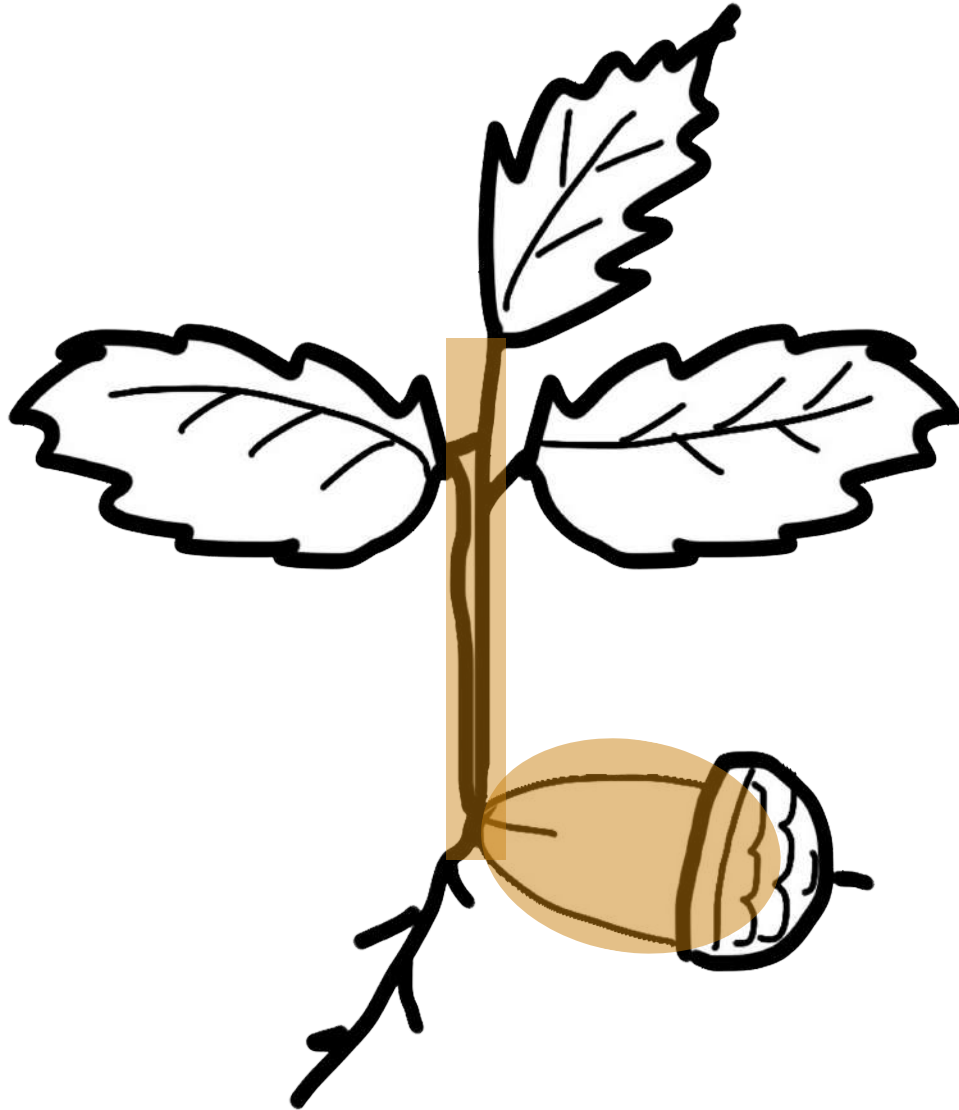

stem

cupule

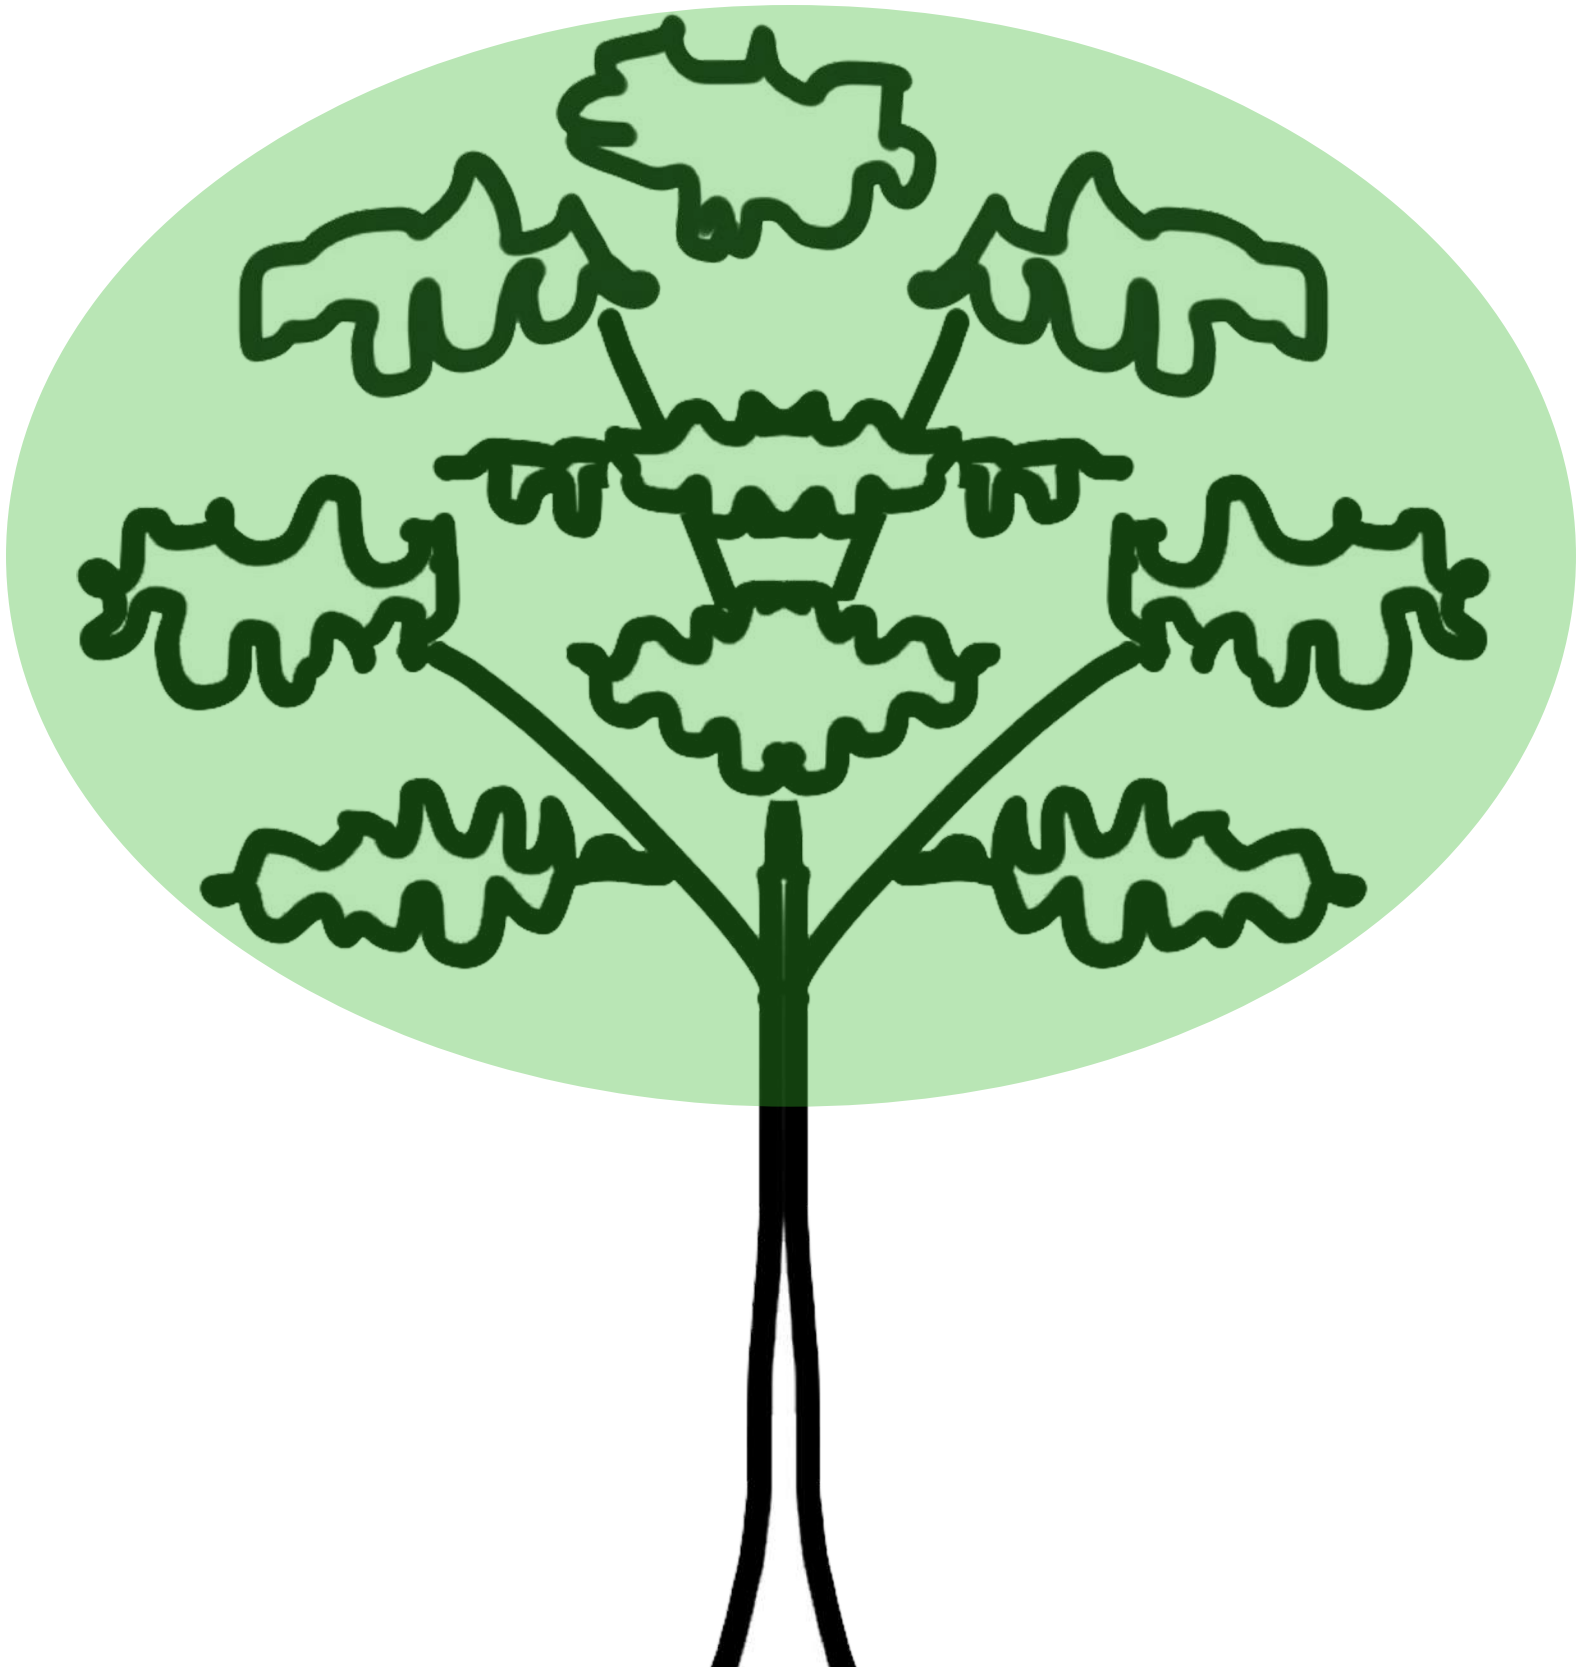

Cut out the outline of the seedling parts outlined above. Trace the cap onto dark brown felt, the roots onto off white felt, and the leaves onto green felt. Cut out all the pieces again.

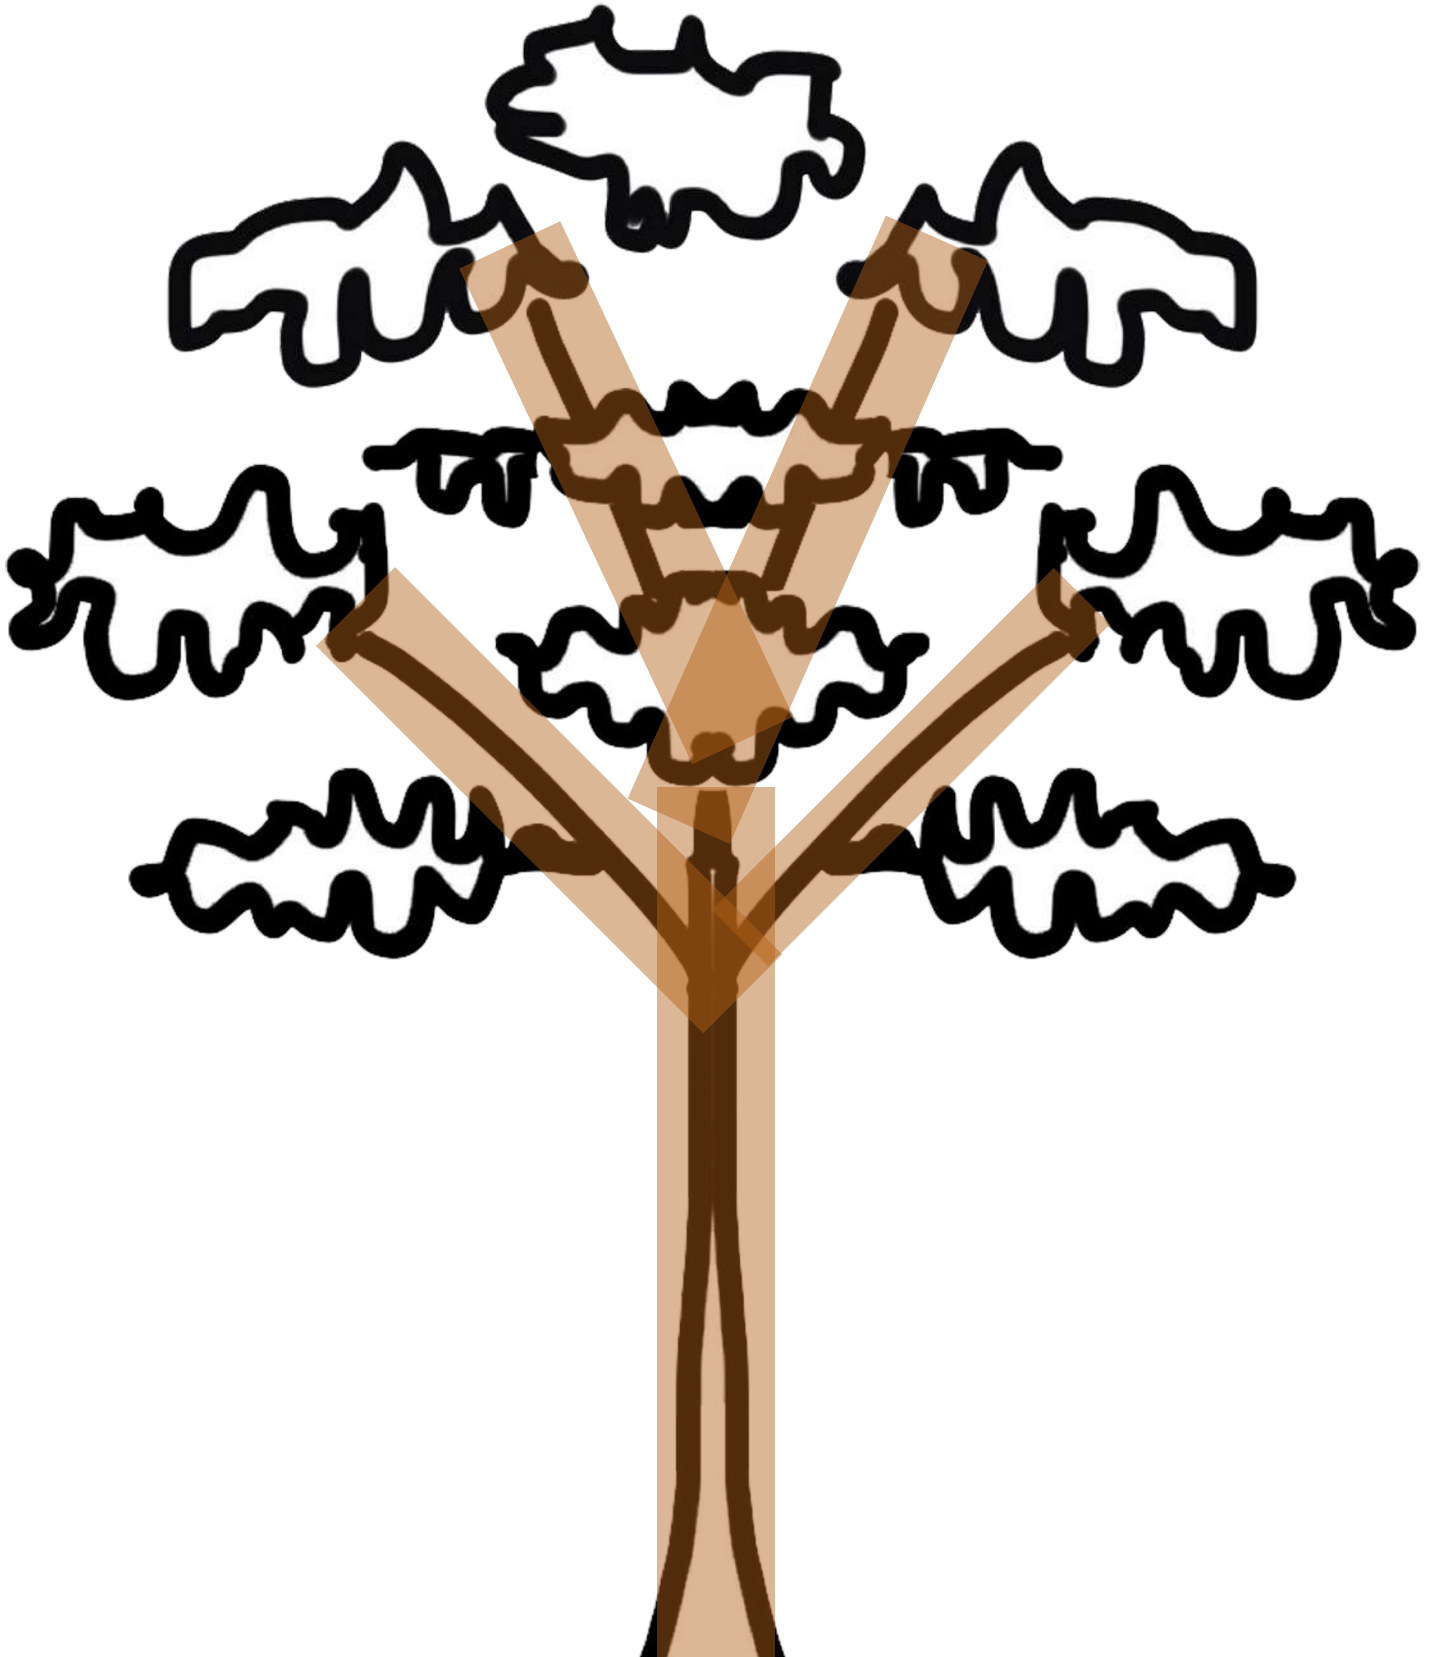

Cut out the outline of the seedling parts outlined above. Trace it onto light brown felt and cut out the outline again.

Cut out the outline of the tree leaves. Trace it onto light green felt and cut out the outline again.

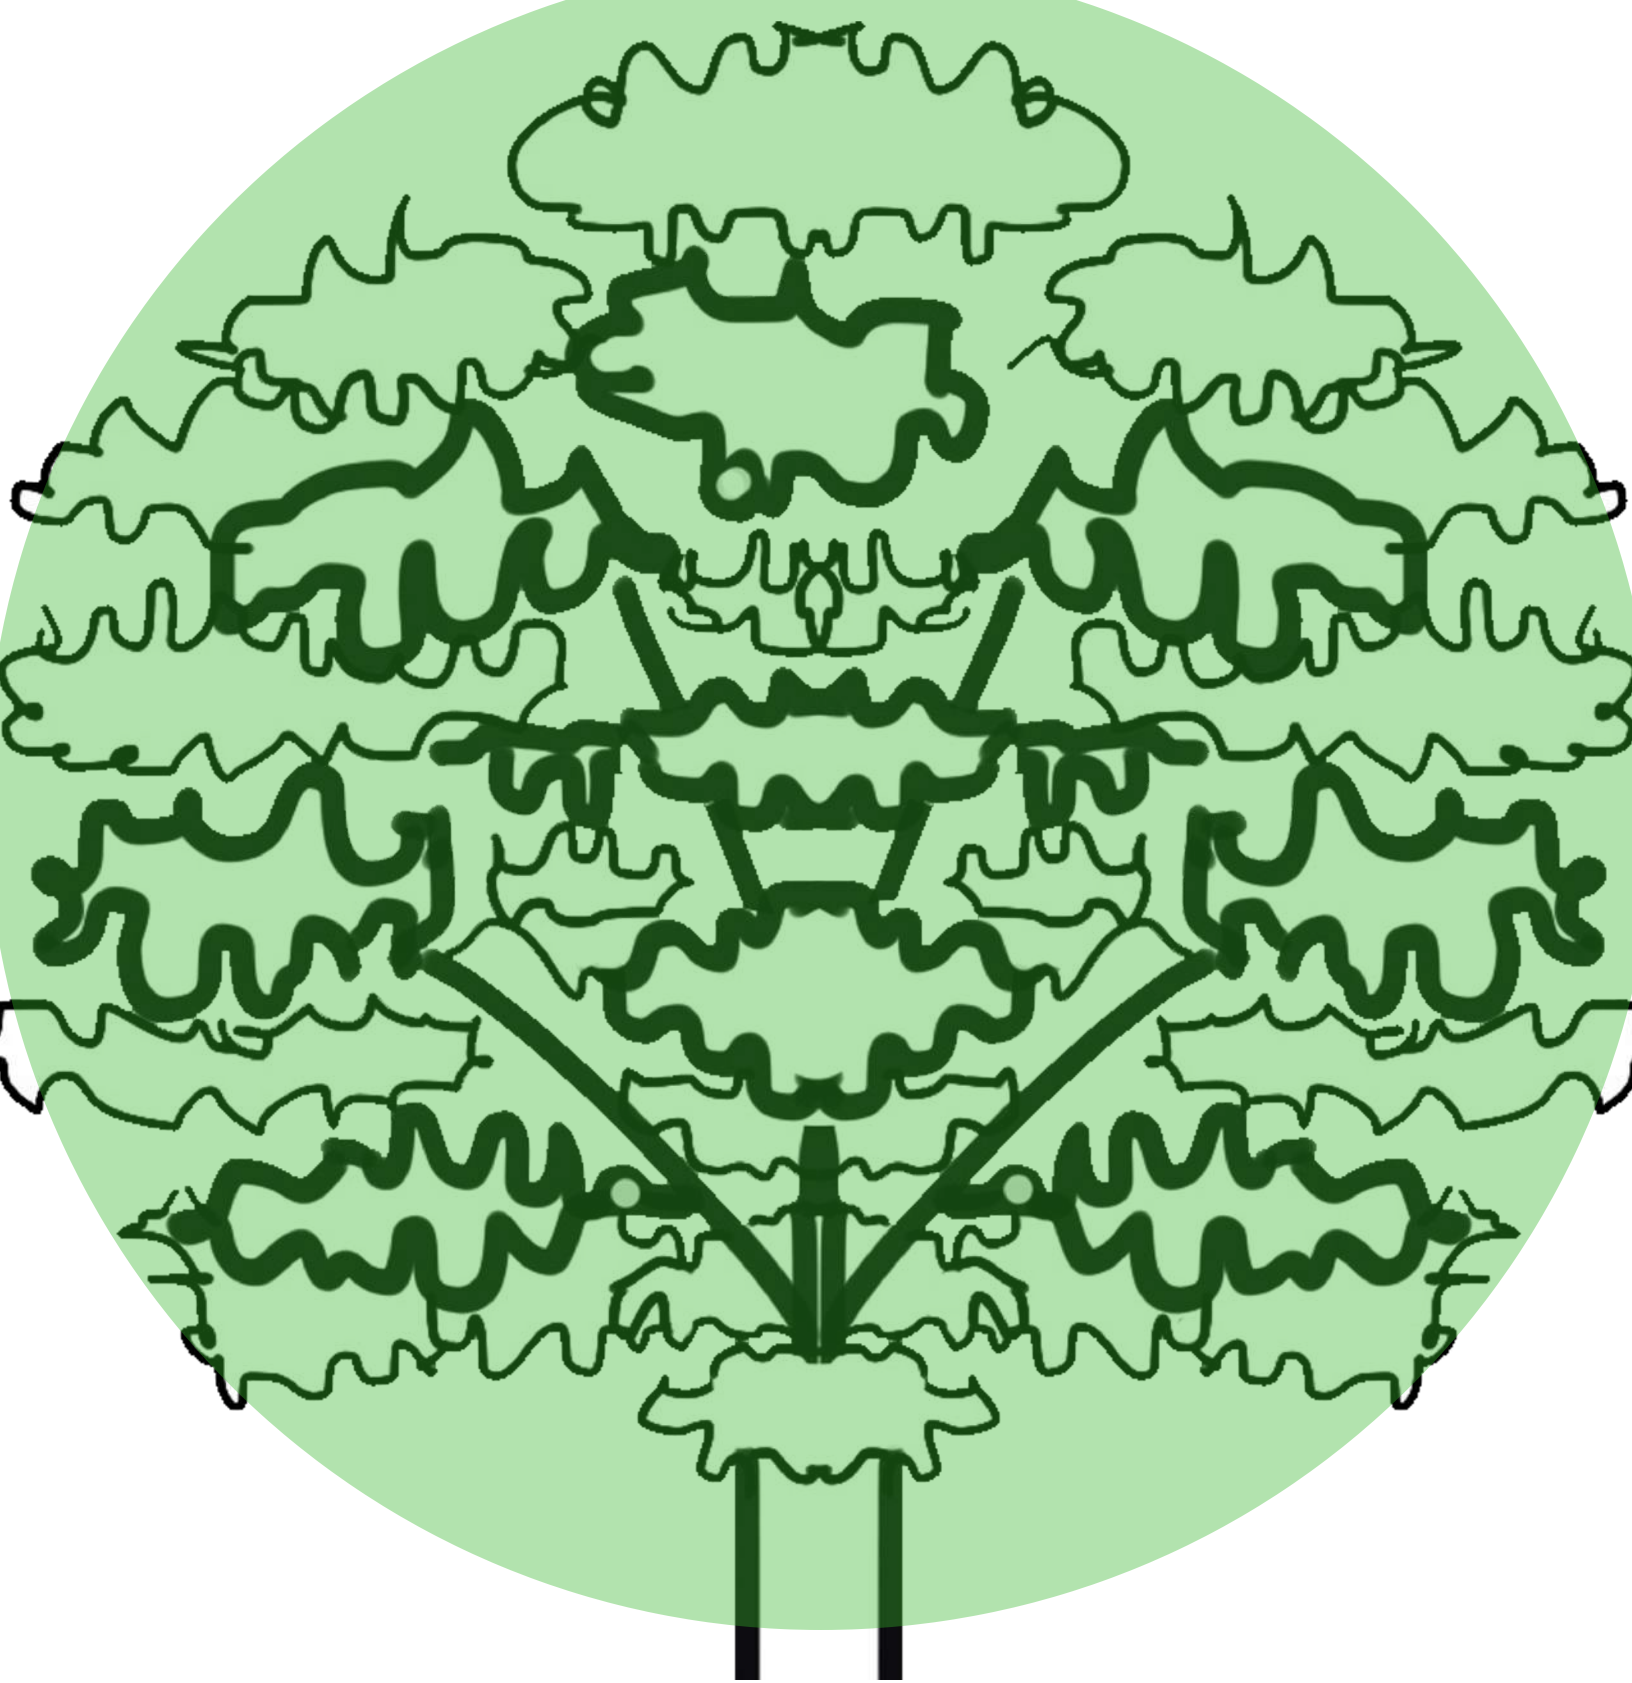

Cut out the outline of the tree trunk and branches.  
Trace it onto light brown felt and cut out the outline  
again.

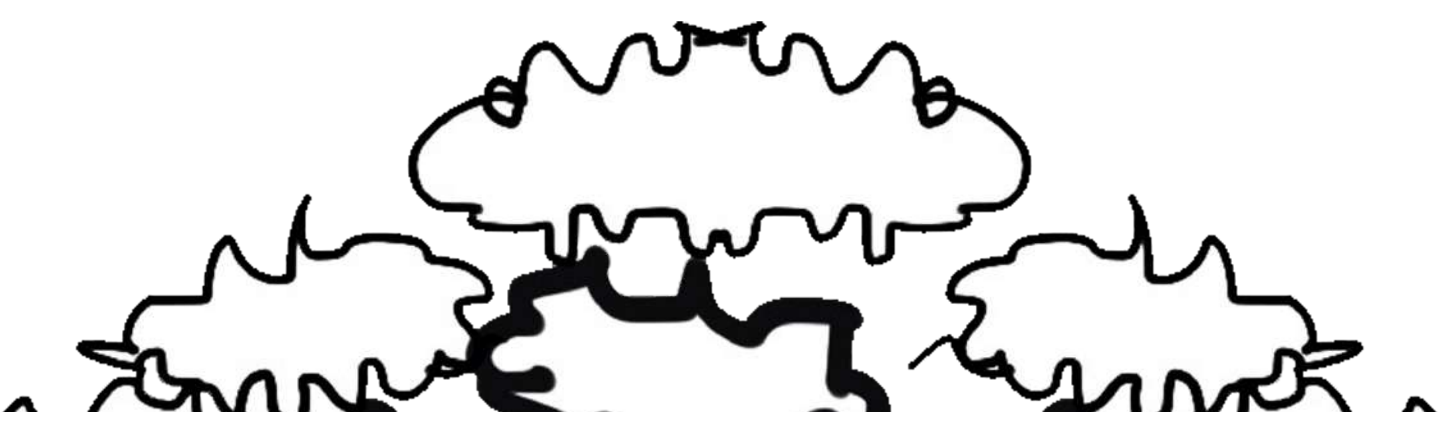

Cut out the outline of the roots. Trace it onto dark brown felt and cut out the outline again.

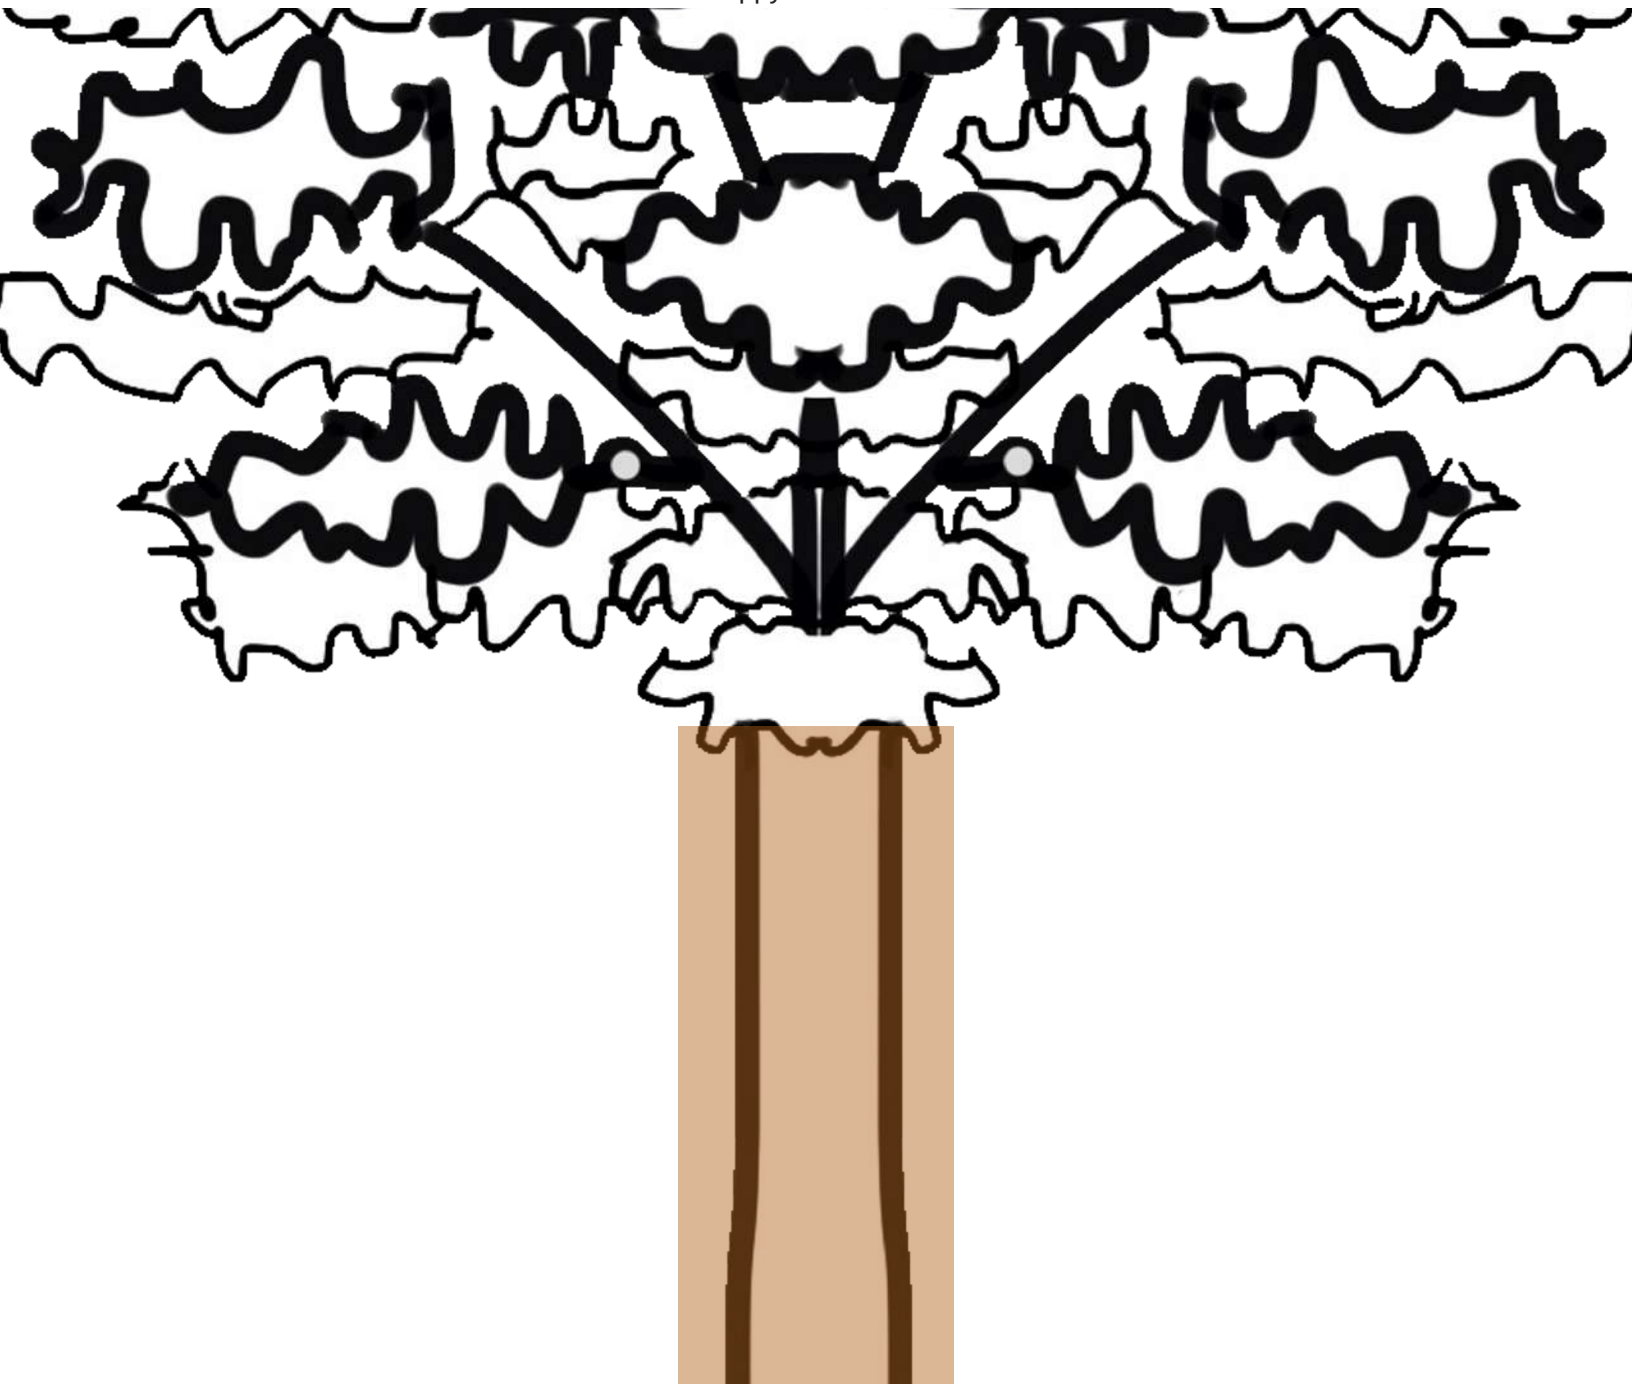

Cut out the green outline of the leaves of the tree.  
Trace it onto green felt and cut out the outline again.

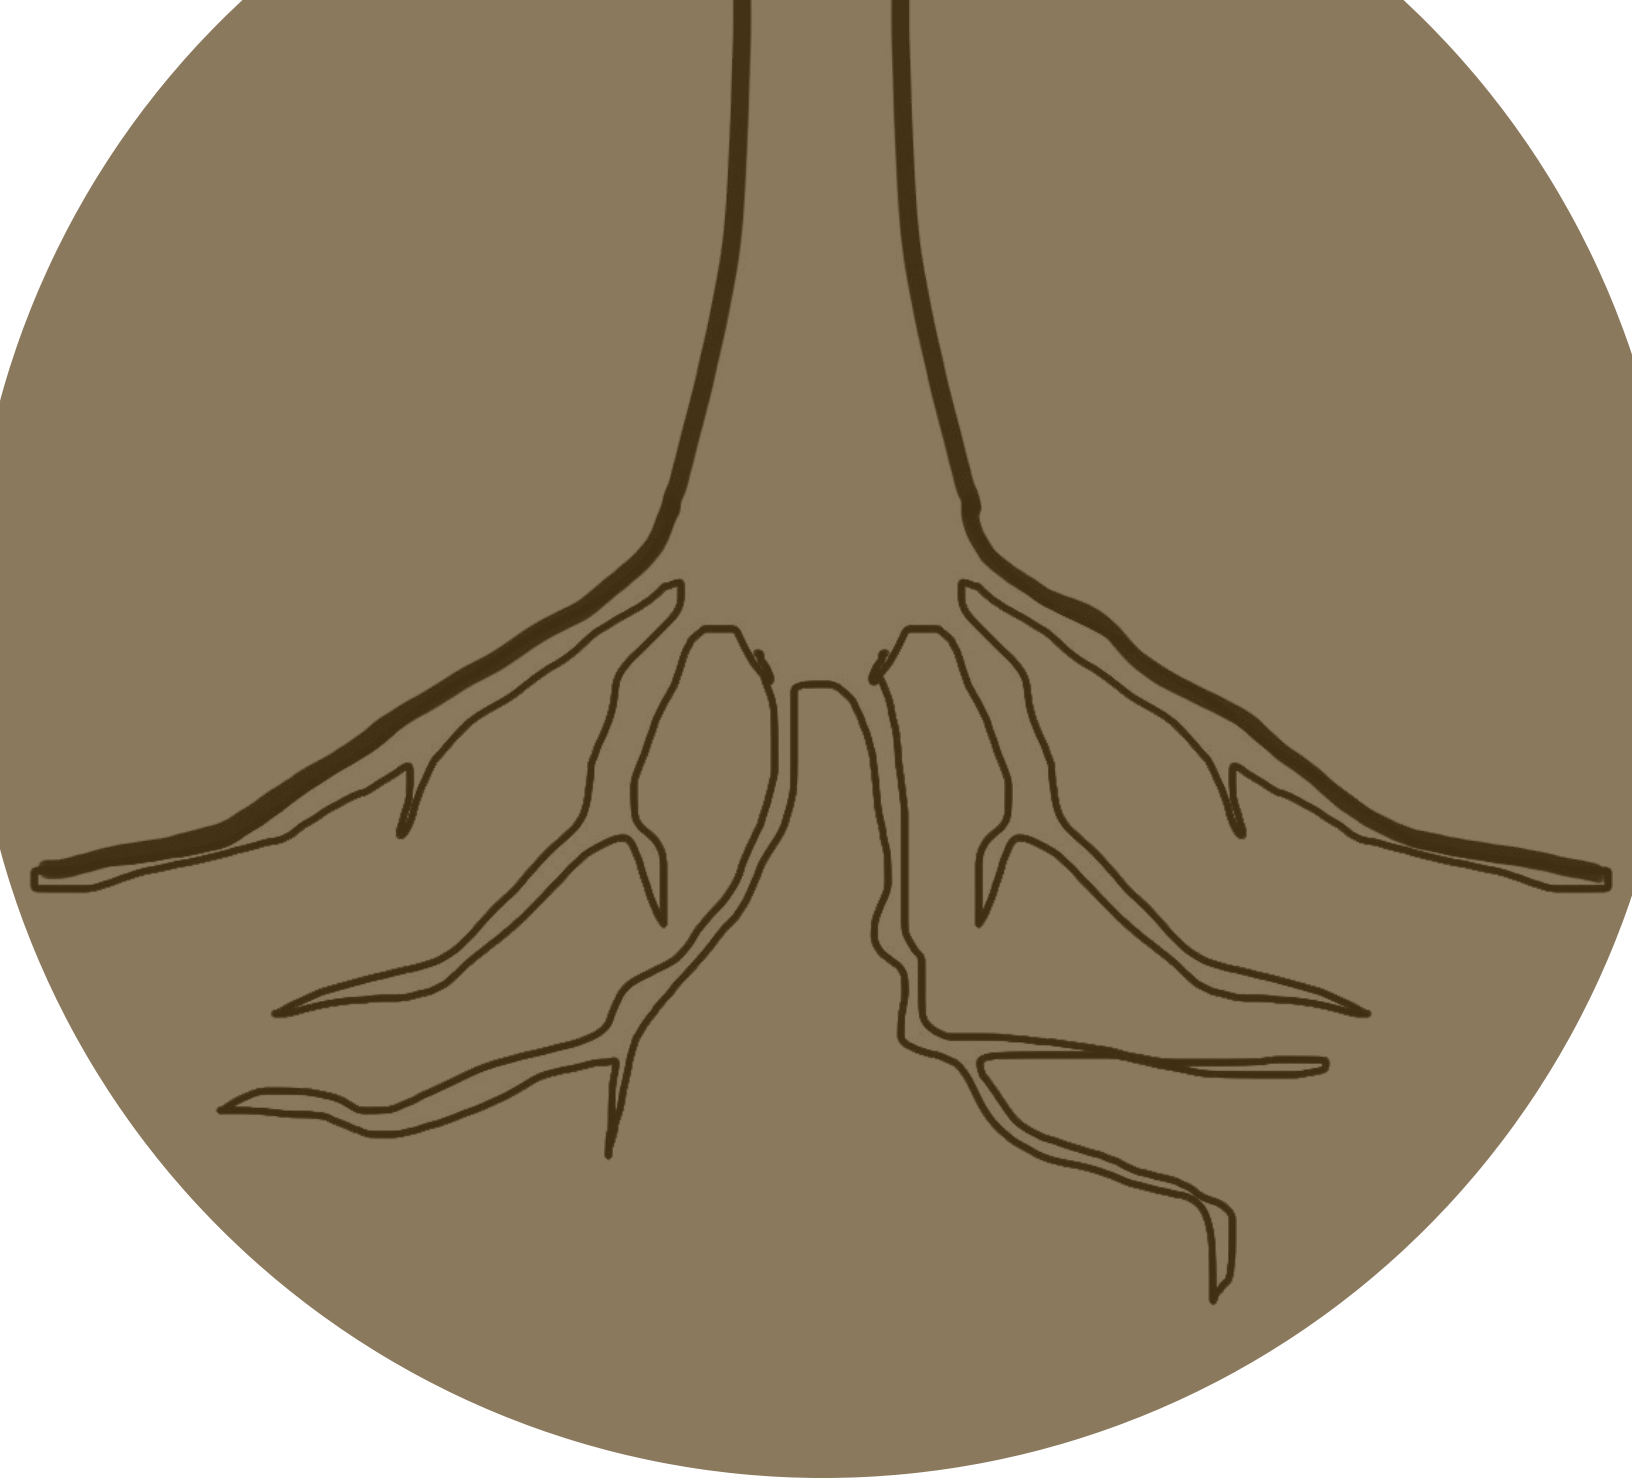

Cut out the outline of the tree trunk. Trace it onto light brown felt and cut out the outline again.
